GOVERNMENT STRUCTURE AND ADMINISTRATION

CHAPTER 18

STATE EMPLOYEE CLASSIFICATION, COMPENSATION, AND BENEFITS

Part 6 — Leave Time

2-18-601. Definitions. For the purpose of this part, except 2-18-620, the following definitions apply:

(1)(a) “Agency” means any legally constituted department, board, or commission of state, county, or city government or any political subdivision of the state.

(b) The term does not mean the state compensation insurance fund.

(2) “Break in service” means a period of time in excess of 5 working days when the person is not employed and that severs continuous employment.

(3) “Continuous employment” means working within the same jurisdiction without a break in service of more than 5 working days or without a continuous absence without pay of more than 15 working days.

(4) “Employee” means any person employed by an agency except elected state, county, and city officials, schoolteachers, and persons contracted as independent contractors or hired under personal services contracts.

(5) “Full-time employee” means an employee who normally works 40 hours a week.

(6) “Holiday” means a scheduled day off with pay to observe a legal holiday, as specified in 1-1-216 or 20-1-305, except Sundays.

(7) “Part-time employee” means an employee who normally works less than 40 hours a week.

(8) “Permanent employee” means a permanent employee as defined in 2-18-101.

(9) “Seasonal employee” means a seasonal employee as defined in 2-18-101.

(10) “Short-term worker” means a short-term worker as defined in 2-18-101.

(11) “Sick leave” means a leave of absence with pay for a sickness suffered by an employee or a member of the employee’s immediate family or for a permanent state employee who is eligible for parental leave under the provisions of 2-18-606.

(12) “Temporary employee” means a temporary employee as defined in 2-18-101.

(13) “Transfer” means a change of employment from one agency to another agency in the same jurisdiction without a break in service.

(14) “Vacation leave” means a leave of absence with pay for the purpose of rest, relaxation, or personal business at the request of the employee and with the concurrence of the employer.

STATE EMPLOYEE CLASSIFICATION,
COMPENSATION AND BENEFITS

2-18-603. Holidays — observance when falling on employee's day off.

(1)(a) A full time employee who is scheduled for a day off on a day that is observed as a legal holiday, except Sundays, is entitled to receive a day off with pay either on the day preceding the holiday or on another day following the holiday in the same pay period or as scheduled by the employee and the employee's supervisor, whichever allows a day off in addition to the employee's regularly scheduled days off, provided the employee is in a pay status on the employee's last regularly scheduled working day immediately before the holiday or on the employee's first regularly scheduled working day immediately after the holiday.

(b) Part-time employees receive pay for the holiday on a prorated basis according to rules adopted by the department of administration or appropriate administrative officer under 2-18-604.

(c) A short-term worker may not receive holiday pay.

(2) For purposes of this section, the term "employee" does not include nonteaching school district employees.

2-18-604. Administration of rules. The department of administration or the administrative officer of any county, city, or political subdivision is responsible for the proper administration of the employee annual, sick, or military leave provisions and the jury duty provisions found in this part and shall promulgate rules necessary to achieve the uniform administration of these provisions and to prevent the abuse thereof. When promulgated, the rules are effective as to all employees of the state or any county, city, or political subdivision thereof.

2-18-606. Parental leave for state employees. (1) The department of administration shall develop a parental leave policy for permanent state employees. The policy must permit an employee to take a reasonable leave of absence and permit the employee to use sick leave immediately following the birth or placement of a child for a period not to exceed 15 working days if:

(a) the employee is adopting a child; or

(b) the employee is a birth father.

(2) As used in this section, "placement" means placement for adoption as defined in 33-22-130.

(3) A state agency that is not subject to the provisions of the Family and Medical Leave Act of 1993, 29 U.S.C. 2601 through 2654, may extend the provisions of that act to the employees of the agency.

2-18-607 through 2-18-610 reserved.

2-18-611. Annual vacation leave. (1) Each permanent full-time employee shall earn annual vacation leave credits from the first day of employment. Vacation leave credits earned must be credited at the end of each pay period. However, employees

GOVERNMENT STRUCTURE AND ADMINISTRATION

are not entitled to any vacation leave with pay until they have been continuously employed for a period of 6 calendar months.

(2) Seasonal employees earn vacation credits. However, seasonal employees must be employed for 6 qualifying months before they may use the vacation credits. In order to qualify, seasonal employees shall immediately report back for work when operations resume in order to avoid a break in service.

(3) Permanent part-time employees are entitled to prorated annual vacation benefits if they have worked the qualifying period.

(4) An employee may not accrue annual vacation leave credits while in a leave-without-pay status.

(5) Temporary employees earn vacation leave credits but may not use the credits until after working for 6 qualifying months.

(6) A short-term worker, as defined in 2-18-101, may not earn vacation leave credits, and time worked as a short-term worker does not apply toward the person's rate of earning vacation leave credits.

2-18-612. Rate earned. (1) Vacation leave credits are earned at a yearly rate calculated in accordance with the following schedule, which applies to the total years of an employee's employment with any agency whether the employment is continuous or not:

Years of employment	Working days credit
1 day through 10 years	15
10 years through 15 years	18
15 years through 20 years	21
20 years on	24

(2)(a) For the purpose of determining years of employment under this section, an employee eligible to earn vacation credits under 2-18-611 must be credited with 1 year of employment for each period of:

(i) 2,080 hours of service following his date of employment; an employee must be credited with 80 hours of service for each biweekly pay period in which he is in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in the pay period; or

(ii) 12 calendar months in which he was in a pay status or on an authorized leave of absence without pay, regardless of the number of hours of service in any one month. An employee of a school district, a school at a state institution, or the university system must be credited with 1 year of service if he is employed for an entire academic year.

(b) State agencies, other than the university system and a school at a state institution, must use the method provided in subsection (2)(a)(i) to calculate years of service under this section.

STATE EMPLOYEE CLASSIFICATION,
COMPENSATION AND BENEFITS

2-18-614. Military leave considered service. A period of absence from employment with the state, county, or city occurring either during a war involving the United States or in any other national emergency and for 90 days thereafter for one of the following reasons is considered as service for the purpose of determining the number of years of employment used in calculating vacation leave credits under this section:

(1) having been ordered on active duty with the armed forces of the United States;

(2) voluntary service on active duty in the armed forces or on ships operated by or for the United States government; or

(3) direct assignment to the United States department of defense for duties related to national defense efforts if a leave of absence has been granted by the employer.

2-18-615. Absence because of illness not chargeable against vacation unless employee approves. Absence from employment by reason of illness shall not be chargeable against unused vacation leave credits unless approved by the employee.

2-18-616. Determination of vacation dates. The dates when employees' annual vacation leaves shall be granted shall be determined by agreement between each employee and his employing agency with regard to the best interest of the state, any county or city thereof as well as the best interests of each employee.

2-18-617. Accumulation of leave — cash for unused — transfer.

(1)(a) Except as provided in subsection (1)(b), annual vacation leave may be accumulated to a total not to exceed two times the maximum number of days earned annually as of the end of the first pay period of the next calendar year. Excess vacation time is not forfeited if taken within 90 calendar days from the last day of the calendar year in which the excess was accrued.

(b) It is the responsibility of the head of an employing agency to provide reasonable opportunity for an employee to use rather than forfeit accumulated vacation leave. If an employee makes a reasonable written request to use excess vacation leave before the excess vacation leave must be forfeited under subsection (1)(a) and the employing agency denies the request, the excess vacation leave is not forfeited and the employing agency shall ensure that the employee may use the excess vacation leave before the end of the calendar year in which the leave would have been forfeited under subsection (1)(a).

(2) An employee who terminates employment for a reason not reflecting discredit on the employee is entitled upon the date of termination to cash compensation for unused vacation leave, assuming that the employee has worked the qualifying period set forth in 2-18-611.

GOVERNMENT STRUCTURE AND ADMINISTRATION

(3) However, if an employee transfers between agencies of the same jurisdiction, cash compensation may not be paid for unused vacation leave. In a transfer, the receiving agency assumes the liability for the accrued vacation credits transferred with the employee.

(4) This section does not prohibit a school district from providing cash compensation for unused vacation leave in lieu of the accumulation of the leave, either through a collective bargaining agreement or, in the absence of a collective bargaining agreement, through a policy.

2-18-618. (Temporary) Sick leave. (1) A permanent full-time employee earns sick leave credits from the first day of employment. For calculating sick leave credits, 2,080 hours (52 weeks x 40 hours) equals 1 year. Sick leave credits must be credited at the end of each pay period. Sick leave credits are earned at the rate of 12 working days for each year of service without restriction as to the number of working days that may be accumulated. Employees are not entitled to be paid sick leave until they have been continuously employed 90 days.

(2) An employee may not accrue sick leave credits while in a leave-without-pay status.

(3) Permanent part-time employees are entitled to prorated leave benefits if they have worked the qualifying period.

(4) Full-time temporary and seasonal employees are entitled to sick leave benefits provided they work the qualifying period.

(5) A short-term worker may not earn sick leave credits.

(6) An employee who terminates employment with the agency is entitled to a lump-sum payment equal to one-fourth of the pay attributed to the accumulated sick leave. The pay attributed to the accumulated sick leave must be computed on the basis of the employee's salary or wage at the time the employee terminates employment with the state, county, or city. Accrual of sick leave credits for calculating the lump-sum payment provided for in this subsection begins July 1, 1971. The payment is the responsibility of the agency in which the sick leave accrues. However, an employee does not forfeit any sick leave rights or benefits accrued prior to July 1, 1971. However, when an employee transfers between agencies within the same jurisdiction, the employee is not entitled to a lump-sum payment. In a transfer between agencies, the receiving agency shall assume the liability for the accrued sick leave credits earned after July 1, 1971, and transferred with the employee.

(7) An employee who receives a lump-sum payment pursuant to this section and who is again employed by any agency may not be credited with sick leave for which the employee has previously been compensated.

(8) Abuse of sick leave is cause for dismissal and forfeiture of the lump-sum payments provided for in this section.

STATE EMPLOYEE CLASSIFICATION,
COMPENSATION AND BENEFITS

(9) An employee may contribute any portion of the employee's accumulated sick leave to a nonrefundable sick leave fund for state employees and becomes eligible to draw upon the fund if an extensive illness or accident exhausts the employee's accumulated sick leave. The department of administration shall, in consultation with the state employee group benefits advisory council, provided for in 2-15-1016, administer the sick leave fund and adopt rules to implement this subsection.

(10) A local government may establish and administer through local rule a sick leave fund into which its employees may contribute a portion of their accumulated sick leave.

2-18-619. Jury duty — service as witness. (1) Each employee who is under proper summons as a juror shall collect all fees and allowances payable as a result of the service and forward the fees to the appropriate accounting office. Juror fees shall be applied against the amount due the employee from his employer. However, if an employee elects to charge his juror time off against his annual leave, he shall not be required to remit his juror fees to his employer. In no instance is an employee required to remit to his employer any expense or mileage allowance paid him by the court.

(2) An employee subpoenaed to serve as a witness shall collect all fees and allowances payable as a result of the service and forward the fees to the appropriate accounting office. Witness fees shall be applied against the amount due the employee from his employer. However, if an employee elects to charge his witness time off against his annual leave, he shall not be required to remit his witness fees to his employer. In no instance is an employee required to remit to his employer any expense or mileage allowances paid him by the court.

(3) Employers may request the court to excuse their employees from jury duty if they are needed for the proper operation of a unit of state or local government.

2-18-620. Mandatory leave of absence for employees holding public office — return requirements. (1) Employers of employees elected or appointed to a public office in the city, county, or state shall grant such employees leaves of absence, not to exceed 180 days per year, while they are performing public service. Employees of an employer who employs 10 or more persons must, upon complying with the requirements of subsection (2), be restored to their positions, with the same seniority, status, compensation, hours, locality, and benefits as existed immediately prior to their leaves of absence for public service under this section.

(2) Employees granted a leave shall make arrangements to return to work within 10 days following the completion of the service for which the leave was granted unless they are unable to do so because of illness or disabling injury certified to by a licensed physician.

GOVERNMENT STRUCTURE AND ADMINISTRATION

(3) Any unemployment benefits paid to any person by application of this section shall not be charged against any employer under the unemployment insurance law.

2-18-621. Unlawful termination. It shall be unlawful for an employer to terminate or separate an employee from his employment in an attempt to circumvent the provisions of 2-18-611, 2-18-612, and 2-18-614. Should a question arise under this section, it shall be submitted to arbitration as provided in Title 27, chapter 5, as if an agreement described in 27-5-114 is in effect, unless there is a collective bargaining agreement to the contrary applicable.

2-18-622. Reduction in force — severance pay and retraining allowance required. If a reduction in force is necessary, the state may provide severance pay and a retraining allowance. Within a collective bargaining unit, severance pay and the retraining allowance are negotiable subjects under 39-31-305.

2-18-623 through 2-18-625 reserved.

2-18-626. Department of justice employees — payment of compensation for time spent answering subpoena. A department of justice employee must receive all regular duty pay and benefits for time spent answering a subpoena in a civil or criminal cause when called to testify in connection with the employee's official duties. The department of justice may bill the person or organization requesting issuance of the subpoena for reimbursement for the employee's time.

2-18-627. Paid leave for disaster relief volunteer service. (1) An agency may grant to a state employee up to 15 days in a calendar year of a paid leave of absence for the employee to participate in specialized disaster relief services for the American red cross if:

- (a) the employee is a certified American red cross disaster relief volunteer; and
- (b) the American red cross has requested the employee's services.

(2) Leave time granted pursuant to this section:

(a) must be paid at the regular rate of compensation, including regular group, retirement, or leave accrual benefits, for the regular work hours during which the employee is absent from the employee's regular duties;

(b) commences upon approval of the employee's employing agency; and

(c) may not be charged against any other leave to which the employee is entitled.

(3) For purposes of this section, the following definitions apply:

(a) "Agency" has the meaning provided in 2-18-101.

(b) "Employee" means any person employed by an agency, except an elected official.

STATE EMPLOYEE CLASSIFICATION,
COMPENSATION AND BENEFITS

2-18-628 through 2-18-640 reserved.

2-18-641. Exemption — employees of certain county hospitals or rest homes and hospital districts. (1) An employee of a county hospital or county rest home in a third, fourth, fifth, sixth, or seventh class county or an employee of a hospital district is exempt from the provisions of this part.

(2) For any reduction in leave benefits for an employee subject to subsection (1), there must be an increase in compensation or benefits.

TITLE 7

LOCAL GOVERNMENT

CHAPTER 4

OFFICERS AND EMPLOYEES

Part 25 — Compensation and Official Fees

7-4-2504. Salaries to be fixed by resolution — cost-of-living increments. The county governing body shall by resolution on or before August 1 of each year adjust and uniformly fix the salaries of the county treasurer, county clerk, county assessor, county school superintendent, county sheriff, clerk of district court, county auditor (if there is one), justice of the peace, and county surveyor (if the surveyor receives a salary) by adding to the annual salary provided for in 7-4-2503(1) a cost-of-living increment based upon the schedule developed and approved by the county compensation board provided for in 7-4-2503(4).

7-4-2505. Amount of compensation for deputies and assistants. (1) Subject to subsection (2), the boards of county commissioners in the several counties in the state shall fix the compensation allowed any deputy or assistant of the following officers:

- (a) clerk and recorder;
- (b) clerk of the district court;
- (c) treasurer;
- (d) county attorney;
- (e) auditor.

(2)(a) The salary of a deputy or an assistant listed in subsection (1), other than a deputy county attorney, may not be more than 90% of the salary of the officer under whom the deputy or assistant is serving. The salary of a deputy county attorney, including longevity payments provided in 7-4-2503(3)(d), may not exceed the salary of the county attorney under whom the deputy is serving.

(b) If a deputy or assistant is employed for a period of less than 1 year, the compensation of the deputy or assistant must be for the time employed, provided the rate of compensation may not be in excess of the rates provided by law for similar deputies and assistants.

7-4-2507. Deputy sheriff and undersheriff provisions — construction. If there is a conflict between 7-4-2508 through 7-4-2510 and any other law, 7-4-2508 through 7-4-2510 govern with respect to undersheriffs and deputy sheriffs.

7-4-2508. Compensation of undersheriff and deputy sheriff. (1) The sheriff shall fix the compensation of the undersheriff at 95% of the salary of that sheriff.

LOCAL GOVERNMENT

(2)(a) The sheriff shall fix the compensation of the deputy sheriff based upon a percentage of the salary of that sheriff according to the following schedule:

In counties with population of:

Below 15,000	85% to 90%
5,000 to 29,999	76% to 90%
30,000 to 74,999	74% to 90%
75,000 and over	72% to 90%

(b) The sheriff shall adjust the compensation of the deputy sheriff within the range prescribed in subsection (2)(a) according to a rank structure in the department.

(3) For purposes of this section, the term “compensation” means the base rate of pay and does not mean longevity payments or payments for hours worked overtime.

7-4-2509. Sheriff’s department — work period in lieu of workweek — overtime compensation. (1)(a) A sheriff’s department may establish a work period other than the workweek provided in 39-3-405 or 7-32-2111 for determining when an employee may be paid overtime.

(b) The aggregate of all work periods in a year, when expressed in hours, may not exceed 2,080 hours.

(2) The board of county commissioners may by resolution establish that any undersheriff or deputy sheriff who works in excess of his regularly scheduled work period will be compensated for the hours worked in excess of the work period at a rate to be determined by that board of county commissioners.

7-4-2510. Sheriff’s department — longevity payments. Beginning on the date of his first anniversary of employment with the department and adjusted annually, a deputy sheriff or undersheriff is entitled to receive a longevity payment amounting to 1% of the minimum base annual salary for each year of service with the department, but years of service during any year in which the salary was set at the same level as the salary of the prior fiscal year may not be included in any calculation of longevity increases. This payment shall be made in equal monthly installments.

CHAPTER 32

LAW ENFORCEMENT

7-32-2111. Hours of work for deputy sheriff of county of first or second class. Any person employed as a deputy sheriff of a first- or second-class county shall not be forced to work in excess of 40 hours per week except in case of an emergency and shall be entitled to 2 days off in each 7-day period.

OFFICERS AND EMPLOYEES

7-32-4116. Minimum wage of police in first- and second-class cities. (1) Each duly confirmed member of a police department of cities of the first and second class of Montana is entitled to a minimum wage for a daily service of 8 hours' work of at least \$750 per month for the first year of service and thereafter at least \$750 a month plus 1% of the minimum base monthly salary of \$750 for each additional year of service up to and including the 20th year of additional service.

(2) This section applies to cities and towns not of the first class which have elected to come under the provisions of Chapter 120, Laws of 1929, as amended, or Chapter 335, Laws of 1974, as amended.

(3) Added salary for years of service will be based on the base monthly salary as established in this section and not on the actual current salary.

7-32-4118. Work period — days off duty without loss of compensation.

(1) The chief of police may establish the work period for officers and other personnel in the department and may establish a work period other than that provided in 39-3-405 for determining when an employee must be paid overtime compensation. The total hours in all work periods in a calendar year may not exceed 2,080.

(2) Each officer or other employee of the police force in every city of the first and second class shall, in each calendar year, be given a minimum of 104 days off duty without loss of compensation, not including holidays, sick leave, vacation leave, or other types of compensated time off duty.

7-32-4119. Overtime compensation. Members of police departments of cities of the first and second class, except those officers holding the rank of captain or above, are entitled to overtime compensation for hours worked in excess of the work period established by the chief of police under 7-32-4118.

7-32-4121. Action to recover salary. (1) Actions to recover salaries by members of the police departments of cities must be commenced within 6 months after the cause of action shall have accrued.

TITLE 18**PUBLIC CONTRACTS****CHAPTER 2****CONSTRUCTION CONTRACTS****Part 4 — Special Conditions—Labor**

18-2-401. Definitions. Unless the context requires otherwise, in this part, the following definitions apply:

(1) A “bona fide resident of Montana” is a person who, at the time of employment and immediately prior to the time of employment, has lived in this state in a manner and for a time that is sufficient to clearly justify the conclusion that the person’s past habitation in this state has been coupled with an intention to make it the person’s home. Persons who come to Montana solely in pursuance of any contract or agreement to perform labor may not be considered to be bona fide residents of Montana within the meaning and for the purpose of this part.

(2) “Commissioner” means the commissioner of labor and industry provided for in 2-15-1701.

(3)(a) “Construction services” means work performed by an individual in construction, heavy construction, highway construction, and remodeling work.

located on or off the right-of-way, or new or reopened pits that produce aggregate, asphalt, concrete, or backfill when the pit does not normally sell to the general public.

(9) “Nonconstruction services” means work performed by an individual, not including management, office, or clerical work, for:

(a) the maintenance of publicly owned buildings and facilities, including public highways, roads, streets, and alleys;

(b) custodial or security services for publicly owned buildings and facilities;

The nonconstruction services classification does not apply to any school district that at any time prior to April 27, 1999, contracted with a private contractor for the provision of nonconstruction services on behalf of the district.

(b) The term does not include contracts entered into by the department of public health and human services for the provision of human services.

(12) “Special circumstances” means all work performed at a facility that is built or developed for a specific Montana public works project and that is located in a prevailing wage district that contains the project location or that is located in a contiguous prevailing wage district.

(13)(a) “Standard prevailing rate of wages” or “standard prevailing wage” means:

(i) the heavy and highway construction wage rates applicable to heavy and highway construction projects; or

PUBLIC CONTRACTS

that are paid in the district by other contractors for work of a similar character performed in that district by each craft, classification, or type of worker needed to complete a contract under this part. In each district, the standard prevailing rate of wages must be computed by the department based on work performed by Montana contractors who are registered under Title 39, chapter 9, and whose work is performed according to commercial building codes. The contractor survey must include information pertaining to the number of skilled craftspersons employed in the employer's peak month of employment and the wages and benefits paid for each craft. In setting the prevailing wages from the survey for each craft, the department shall use the weighted average wage for each craft, except in those cases in which the survey shows that 50% of the craftspersons are receiving the same wage. When the survey shows that 50% of the craftspersons are receiving the same wage, that wage is the prevailing wage for that craft. The work performed must be work of a similar character to the work performed in the district unless the annual survey of construction contractors and the biennial survey of nonconstruction service employers in the district does not generate sufficient data. If the survey produces insufficient data, the rate may be established by the use of other information or methods that the commissioner determines fairly establish the standard prevailing rate of wages. The commissioner shall establish by rule the method or methods by which the standard prevailing rate of wages is determined. The rules must establish a process for determining if there is insufficient data generated by the survey of employers in the district that requires the use of other methods of determining the standard prevailing rate of wages. The rules must identify the amount of data that constitutes insufficient data and require the commissioner of labor to use other methods of determining the standard prevailing rate of wages when insufficient data exists. The alternative methods of determining the prevailing rate of wages must provide for review and the incorporation of data from work of a similar character that is conducted as near as possible to the original district.

(b) When work of a similar character is not being performed in the district, the standard prevailing rate of wages, including fringe benefits for health and welfare and pension contributions, that meets the requirements of the Employee Retirement Security Act of 1974 and other bona fide programs approved by the United States department of labor and the rate of travel allowance must be those rates established by collective bargaining agreements in effect in the district for each craft, classification, or type of worker needed to complete the contract.

(14) "Work of a similar character" means work on private commercial projects as well as work on public projects.

18-2-402. Standard prevailing rate of wages. (1) The Montana commissioner of labor may determine the standard prevailing rate of wages applicable to public works contracts under this part. The commissioner shall undertake to keep and maintain copies of collective bargaining agreements and other information on which the rates are based.

CONSTRUCTION CONTRACTS

(2) The provisions of this part do not apply in those instances where the standard prevailing rate of wages is determined pursuant to federal law.

(3) In no instances where this part is applicable shall the standard prevailing rate of wage be determined to be greater than the applicable rate of wage in the area for the particular work in question as negotiated under existing and current collective bargaining agreements.

18-2-403. Preference of Montana labor in public works — wages — tax-exempt project — federal exception. (1) In every public works contract, there must be inserted in the bid specification and the public works contract a provision requiring the contractor to give preference to the employment of bona fide residents of Montana in the performance of the work.

(2) All public works contracts for construction services under subsection (1), except those for heavy and highway construction, that are conducted at the project location or under special circumstances must contain a provision requiring the contractor to pay:

(a) the travel allowance that is in effect and applicable to the district in which the work is being performed; and

(b) the standard prevailing rate of wages, including fringe benefits for health and welfare and pension contributions, that:

(i) meets the requirements of the Employee Retirement Income Security Act of 1974 and other bona fide programs approved by the United States department of labor; and

(ii) is in effect and applicable to the district in which the work is being performed.

(3) In every public works contract for heavy and highway construction, there must be inserted a provision to require the contractor to pay the heavy and highway construction wage rates established statewide for heavy and highway construction services conducted at the project location or under special circumstances.

(4) All public works contracts for nonconstruction services under subsection (1) must contain a provision requiring the contractor to pay:

(a) the travel allowance that is in effect and applicable to the district in which the work is being performed; and

(b) the standard prevailing rate of wages, including fringe benefits for health and welfare and pension contributions, that:

(i) meets the requirements of the Employee Retirement Income Security Act of 1974 and other bona fide programs approved by the United States department of labor; and

(ii) is in effect and applicable to the district in which the work is being performed.

(5) Transportation of goods, supplies, materials, and manufactured or fabricated items to or from the project location is not subject to payment of the standard prevailing rate of wages.

PUBLIC CONTRACTS

(6) A contract, other than a public works contract, let for a project costing more than \$25,000 and financed from the proceeds of bonds issued under Title 17, chapter 5, part 15, or Title 90, chapter 5 or 7, on or after July 1, 1993, must contain a provision requiring the contractor to pay the standard prevailing wage rate in effect and applicable to the district in which the work is being performed unless the contractor performing the work has entered into a collective bargaining agreement covering the work to be performed.

(7) A public works contract may not be let to any person, firm, association, or corporation refusing to execute an agreement with the provisions described in subsections (1) through (6) in it, provided that in public works contracts involving the expenditure of federal-aid funds, this part may not be enforced in a manner as to conflict with or be contrary to the federal statutes prescribing a labor preference to honorably discharged veterans of the armed forces and prohibiting as unlawful any other preference or discrimination among citizens of the United States.

(8) Failure to include the provisions required by 18-2-422 in a public works contract relieves the contractor from the contractor's obligation to pay the standard prevailing wage rate and places the obligation on the public contracting agency.

18-2-404. Approval of public works contract — bond. (1) All public works contracts under this part must be approved in writing by the legal adviser of the contracting county, municipal corporation, school district, assessment district, or special improvement district body or officer prior to execution by the contracting public officer or officers.

(2) In all public works contracts entered into under the provisions of this part, at least \$1,000 of the contract price must be withheld at all times until the termination of the public works contract.

18-2-406. Posting wage scale and fringe benefits. The contractor performing work or providing construction services under public works contracts, as provided in this part, shall post in a prominent and accessible site on the project or staging area, not later than the first day of work and continuing for the entire duration of the project, a legible statement of all wages and fringe benefits to be paid to the employees.

18-2-407. Forfeiture for failure to pay standard prevailing wage. (1) Any contractor, subcontractor, or employer who pays workers or employees at less than the standard prevailing wage as established under the public works contract shall forfeit to the department a penalty at a rate of up to 20% of the delinquent wages plus fringe benefits, attorney fees, audit fees, and court costs. Money collected by the department under this section must be deposited in the general fund. A contractor, subcontractor, or employer shall also forfeit to the employee the amount of wages owed plus \$25 a day for each day that the employee was underpaid.

CONSTRUCTION CONTRACTS

(2) Whenever it appears to the contracting agency or to the Montana commissioner of labor and industry that there is insufficient money due to the contractor or the employer under the terms of the contract to cover penalties, the Montana commissioner of labor and industry may, within 90 days after the filing of notice of completion of the project and its acceptance by the contracting agency, maintain an action in district court to recover all penalties and forfeitures due. This part does not prevent the individual worker who has been underpaid or the commissioner of labor and industry on behalf of all the underpaid workers from maintaining an action for recovery of the wages due under the contract as provided in Title 39, chapter 3, part 2, except that appeal of the hearings officer's decision is made directly to district court rather than to the board of personnel appeals.

18-2-408. Renumbered 18-2-432 by Code Commissioner, 1985.

18-2-409. Montana residents to be employed on state construction contracts.

(1) On any state construction project funded by state or federal funds, except a project partially funded with federal aid money from the United States department of transportation or where residency preference laws are specifically prohibited by federal law and to which the state is a signatory to the construction contract, at least 50% of the work must be performed by bona fide Montana residents, as defined in 18-2-401.

(2) For any contract awarded for a state construction project, except a project partially funded with federal aid money from the United States department of transportation or where residency preference laws are specifically prohibited by federal law, there must be inserted in the bid specification and the contract a provision, in language approved by the commissioner of labor and industry, implementing the requirements of subsection (1). The bid specification and the contract must provide that at least 50% of the workers on the project will be bona fide Montana residents. If there are two or more contracts and due to a lack of qualified personnel a contractor cannot guarantee that at least 50% of his workers will be Montana residents, his contract must provide that the percentage the commissioner of labor and industry believes possible will be Montana residents and one or more of the other contracts must provide for a higher percentage of Montana residents so that 50% of the workers on the project will be Montana residents.

(3) The commissioner of labor and industry shall enforce this section and investigate complaints of its violation and may adopt rules to implement this section.

18-2-410 reserved.

PUBLIC CONTRACTS

18-2-411. Creation of prevailing wage rate districts. (1) Without taking into consideration heavy and highway construction wage rates, the commissioner shall divide the state into at least 10 prevailing wage rate districts.

(2) In initially determining the districts, the commissioner must:

(a) follow the rulemaking procedures in the Montana Administrative Procedure Act; and

(b) publish the reasons supporting the creation of each district.

(3) A district boundary may not be changed except for good cause and in accordance with the rulemaking procedures in the Montana Administrative Procedure Act.

(4) The presence of collective bargaining agreements in a particular area may not be the sole basis for the creation of boundaries of a district, nor may the absence of collective bargaining agreements in a particular area be the sole basis for changing the boundaries of a district.

(5) For each prevailing wage rate district established under this section, the commissioner shall determine the standard prevailing rate of wages to be paid employees, as provided in 18-2-401 and 18-2-402.

18-2-412. Method for payment of standard prevailing wage. (1) To fulfill the obligation to pay the standard prevailing rate of wages under 18-2-403, a contractor or subcontractor may:

(a) pay the amount of fringe benefits and the basic hourly rate of pay that is part of the standard prevailing rate of wages directly to the worker or employee in cash;

(b) make an irrevocable contribution to a trustee or a third person pursuant to a fringe benefit fund, plan, or program that meets the requirements of the Employee Retirement Income Security Act of 1974 or that is a bona fide program approved by the United States department of labor; or

(c) make payments using any combination of methods set forth in subsections (1)(a) and (1)(b) so that the aggregate of payments and contributions is not less than the standard prevailing rate of wages, including fringe benefits for health and welfare and pension contributions that meet the requirements of the Employee Retirement Income Security Act of 1974, travel, or other bona fide programs approved by the United States department of labor, that is applicable to the district for the particular type of work being performed.

(2) The fringe benefit fund, plan, or program described in subsection (1)(b) must provide benefits to workers or employees for health care, pensions on retirement or death, life insurance, disability and sickness insurance, or bona fide programs that meet the requirements of the Employee Retirement Income Security Act of 1974 or that are approved by the United States department of labor.

(3) A private contractor or subcontractor shall file a copy of the fringe benefit fund, plan, or program described in subsection (2) with the department.

CONSTRUCTION CONTRACTS

18-2-413 through 18-2-420 reserved.

18-2-421. Notice. When a public works project is accepted by the public contracting agency, a notice of acceptance and the completion date of the project must be sent to the department. However, in the case of public works contracts that amount to \$50,000 or less in cost, the notice of acceptance and the completion date of the project is not required unless the department requests that information. The 90-day limitation for filing an action in district court, as provided in 18-2-407, does not begin until the public contracting agency notifies the department of its acceptance of the public works project.

18-2-422. Bid specification and public works contract to contain standard prevailing wage rate and payroll record notification. All public works contracts and the bid specifications for those contracts must contain:

(1) a provision stating for each job classification the standard prevailing wage rate, including fringe benefits, that the contractors and employers shall pay during construction of the project;

(2) a provision requiring each contractor and employer to maintain payroll records in a manner readily capable of being certified for submission under 18-2-423, for not less than 3 years after the contractor's or employer's completion of work on the project; and

(3) a provision requiring each contractor to post a statement of all wages and fringe benefits in compliance with 18-2-423.

18-2-423. Submission of payroll records. If a complaint is filed with the department alleging noncompliance with 18-2-422, the department may require the project to submit to it certified copies of the payroll records for workers employed on that project. A contractor or a subcontractor shall pay employees receiving an hourly wage on a weekly basis. If a wage violation complaint is filed with the department, the contractor or subcontractor shall provide the employee's payroll records to the department within 5 days of receiving the payroll request from the department.

18-2-424. Enforcement. If a contractor or a subcontractor refuses to submit payroll records requested by the department pursuant to 18-2-423, the commissioner or his authorized representative may issue subpoenas compelling the production of those records.

18-2-425. Prohibition — project labor agreement. (1) Except as otherwise provided in this chapter, the state or any political subdivision that contracts for the construction, maintenance, repair, or improvement of public works may not require that a contractor, subcontractor, or material supplier or carrier engaged in

PUBLIC CONTRACTS

the construction, maintenance, repair, or improvement of public works execute or otherwise become a party to any project labor agreement, collective bargaining agreement, prehire agreement, or other agreement with employees, their representatives, or any labor organization as a condition of bidding, negotiating, being awarded, or performing work on a public works contract.

(2) For the purposes of this section, "public works" means:

(a) a building, road, street, sewer, storm drain, water system, irrigation system, reclamation project, or other facility owned or to be contracted for by the state or a political subdivision and that is paid for in whole or in part with tax revenue paid by residents of the state; or

(b) any other construction service or nonconstruction service as defined in 18-2-401.

18-2-426 through 18-2-430 reserved.

18-2-431. Rulemaking authority. The commissioner may adopt rules necessary to implement this part.

18-2-432. Penalty for violation. (1)(a) If a person, firm, or corporation fails to comply with the provisions of this part, the state, county, municipality, school district, or officer of a political subdivision that executed the public works contract shall retain \$1,000 of the contract price as liquidated damages for the violation of the terms of the public works contract, and the money must be credited to the proper funds of the state, county, municipality, school district, or political subdivision.

(b) If a person, firm, or corporation fails to comply with the provisions of this part due to gross negligence, as determined by the commissioner, the commissioner may retain up to an additional \$10,000 above the amount provided for in subsection (1)(a) as a penalty for the violation of the terms of the public works contract. The money retained pursuant to this subsection (1)(b) must be credited to the proper funds of the state, county, municipality, school district, or other political subdivision.

(2) Whenever a contractor or subcontractor is found by the commissioner to have aggravatedly or willfully violated the labor standards provisions of this chapter, the contractor or subcontractor or any firm, corporation, partnership, or association in which the contractor or subcontractor has a substantial interest is ineligible, for a period not to exceed 3 years after the date of the final judgment, to receive any public works contracts or subcontracts that are subject to the provisions of this chapter.

(3) Whenever an action has been instituted in a district court in this state against any person, firm, or corporation for the violation of this part, the court in which the action is pending is authorized to issue an injunction to restrain the person, firm, or corporation from proceeding with a public works contract with the state, county, municipality, school district, or political subdivision, pending the final determination of the instituted action.

(iii) a random selection process that will determine who will be tested on any given date during the calendar period for testing;

(iv) all supervisory and managerial employees in the random selection and testing process; and

(v) a procedure that requires the employer to obtain a signed statement from each employee that confirms that the employee has received a written description of the random selection process and that requires the employer to maintain the statement in the employee's personnel file. The selection of employees in a random testing procedure must be made by a scientifically valid method, such as a random number table or a computer-based random number generator table.

(3) An employer may require an employee to submit to followup tests if the employee has had a verified positive test for a controlled substance or for alcohol. The followup tests must be described in the employer's controlled substance and alcohol policy and may be conducted for up to 1 year from the time that the employer first requires a followup test.

LABOR

(4) An employer may require an employee to be tested for controlled substances or alcohol if the employer has reason to suspect that an employee's faculties are impaired on the job as a result of the use of a controlled substance or alcohol consumption. An employer shall comply with the supervisory training requirement in 49 CFR, part 382.603, whenever the employer requires a test on the basis of reasonable suspicion.

(5) An employer may require an employee to be tested for controlled substances or alcohol if the employer has reason to believe that the employee's act or failure to act is a direct or proximate cause of a work-related accident that has caused death or personal injury or property damage in excess of \$1,500.

39-2-209. Employee's right of rebuttal. The employer shall provide an employee who has been tested under any qualified testing program described in 39-2-208 with a copy of the test report. The employer is also required to obtain, at the employee's request, an additional test of the urine split sample by an independent laboratory selected by the person tested. The employer shall pay for the additional tests if the additional test results are negative, and the employee shall pay for the additional tests if the additional test results are positive. The employee must be provided the opportunity to rebut or explain the results of any test.

39-2-210. Limitation on adverse action. No adverse action, including followup testing, may be taken by the employer if the employee presents a reasonable explanation or medical opinion indicating that the original test results were not caused by illegal use of controlled substances or by alcohol consumption. If the employee presents a reasonable explanation or medical opinion, the test results must be removed from the employee's record and destroyed.

39-2-211. Confidentiality of results. (1) Except as provided in subsection (2) and except for information that is required by law to be reported to a state or federal licensing authority, all information, interviews, reports, statements, memoranda, or test results received by an employer through a qualified testing program are confidential communications and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceeding.

(2) Material that is confidential under subsection (1) may be used in a proceeding related to:

(a) legal action arising out of an employer's implementation of 39-2-205 through 39-2-211; or

(b) inquiries relating to a workplace accident involving death, physical injury, or property damage in excess of \$1,500 when there is reason to believe that the tested employee may have caused or contributed to the accident.

THE EMPLOYMENT RELATIONSHIP

(1) No one doing business in this state shall induce, influence, persuade, or engage workmen to change from one place to another in this state through or by means of deception, misrepresentation, or false advertising concerning the kind or character of the work, the sanitary or other conditions of employment, or as to the existence of a strike or other trouble pending between the employer and the employees at the time of or immediately prior to such engagement. Failure to state in any advertisement, proposal, or contract for the employment of workmen that there is a strike, lockout, or other labor trouble at the place of the proposed employment when in fact such strike, lockout, or other trouble then actually exists at such place shall be deemed a false advertisement and misrepresentation for the purpose of this section.

(2) Any workman influenced, induced, persuaded, or engaged through or by means of any of the things prohibited by subsection (1) of this section has a right of action for recovery of all damages that he had sustained in consequence of the deception, misrepresentation, or false advertising used to induce him to change his place of employment against anyone directly or indirectly procuring such change, and in addition thereto, he shall recover reasonable attorneys’ fees to be fixed by the court and taxed as costs in any judgment recovered.

(2) A person convicted of violating this section shall be fined no more than \$300.

(3) The department of labor and industry or a person harmed by a violation of this section may sue to enjoin an employer from violating this section and to gain other appropriate relief.

39-2-306. Employment of persons under eighteen as bartenders prohibited.

(1) No person under 18 years of age shall be employed as a bartender, waiter, or waitress whose duty is to serve customers purchasing liquors, beer, or wines in any establishment which sells liquors, beer, or wines at retail.

39-2-307 through 39-2-312 reserved.

Part 4 — General Obligations of Employees

39-2-401. Duties of gratuitous employee. (1) One who without consideration undertakes to do a service for another is not bound to perform the same, but if he actually enters upon its performance, he must use at least slight care and diligence therein.

(2) One who by his own special request induces another to entrust him with the performance of a service must perform the same fully. In other cases, one who undertakes a gratuitous service may relinquish it at any time.

(3) A gratuitous employee who accepts a written power of attorney must act under it so long as it remains in force or until he gives notice to his employer that he will not do so.

39-2-402. Duties of employee for reward. One who for a good consideration agrees to serve another must perform the service and must use ordinary care and diligence therein so long as he is thus employed.

39-2-403. Duties of employee for his own benefit. One who is employed at his own request to do that which is more for his own advantage than for that of his employer must use great care and diligence therein to protect the interest of the latter.

THE EMPLOYMENT RELATIONSHIP

39-2-404. Employee must obey employer. An employee must substantially comply with all the directions of his employer concerning the service on which he is engaged, except where such obedience is impossible or unlawful or would impose new and unreasonable burdens upon the employee.

39-2-405. Employee must conform to usage. An employee must perform his service in conformity to the usage of the place of performance unless otherwise directed by his employer or unless it is impracticable or manifestly injurious to his employer to do so.

39-2-406. Degree of skill required. (1) An employee is bound to exercise a reasonable degree of skill unless his employer has notice before employing him of his want of skill.

(2) An employee is always bound to use such skill as he possesses, so far as the same is required, for the service specified.

39-2-407. Duty to account. An employee must, on demand, render to his employer as often as may be reasonable just accounts of all his transactions in the course of his service and must, without demand, give prompt notice to his employer of everything which he receives for his account.

39-2-408. Duty of employee regarding items received on account of his employer. An employee who receives anything on account of his employer in any capacity other than that of a mere servant is not bound to deliver it to him until demanded and is not at liberty to send it to him from a distance, without demand, in any mode involving greater risk than its retention by the employee himself.

39-2-409. Preference to be given to employer's business. An employee who has any business to transact on his own account similar to that entrusted to him by his employer must always give the latter the preference.

39-2-410. Responsibility of employee for substitute. An employee who is expressly authorized to employ a substitute is liable to his principal only for want of ordinary care in his selection. The substitute is directly responsible to the principal.

39-2-411. Surviving employee. Where service is to be rendered by two or more persons jointly and one of them dies, the survivor must act alone if the service to be rendered is such as he can rightly perform without the aid of the deceased person, but not otherwise.

Part 5 — Termination of Employment

39-2-501. Termination of employment generally. Every employment is terminated by:

- (1) the expiration of its appointed term;
- (2) the extinction of its subject;
- (3) the death of the employee; or
- (4) his legal incapacity to act as such.

39-2-502. Termination by death or incapacity of employer. (1) Every employment in which the power of the employee is not coupled with an interest in its subject is terminated by notice to him of:

- (a) the death of the employer; or
- (b) his legal incapacity to contract.

(2) An employee, unless the term of his service has expired or unless he has a right to discontinue it at any time without notice, must continue his service after notice of the death or incapacity of his employer, so far as is necessary to protect from serious injury the interests of the employer's successor in interest, until a reasonable time after notice of the facts has been communicated to such successor. The successor must compensate the employee for such service according to the terms of the contract of employment.

Part 6 — Master and Servant

39-2-601. Servant defined. A servant is one who is employed to render personal service to his employer otherwise than in the pursuit of an independent calling and who in such service remains entirely under the control and direction of the latter, who is called his master.

39-2-602. Term of hiring. (1) A servant is presumed to have been hired for such length of time as the parties adopt for the estimation of wages. A hiring at a yearly rate is presumed to be for 1 year; a hiring at a daily rate, for 1 day; a hiring by piecework, for no specified term.

(2) In the absence of any agreement or custom as to the term of service, the time of payment, or rate or value of wages, a servant is presumed to be hired by the month at a monthly rate of reasonable wages, to be paid when the service is performed.

39-2-603. Renewal of hiring. Where, after the expiration of an agreement respecting the wages and the term of service, the parties continue the relation of master and servant, they are presumed to have renewed the agreement for the same wages and term of service.

THE EMPLOYMENT RELATIONSHIP

39-2-604. Time of service. The entire time of a domestic servant belongs to the master, and the time of other servants to such extent as is usual in the business in which they serve, not exceeding in any case 10 hours in the day.

39-2-605. Servant to pay over without demand. A servant must deliver to his master without demand, as soon as with reasonable diligence he can find him, everything that he receives for his account, but he is not bound without orders from his master to send anything to him through another person.

39-2-606. When servant may be discharged. A master may discharge any servant, other than an apprentice, whether engaged for a fixed term or not:

(1) if he is guilty of misconduct in the course of his service or of gross immorality, though unconnected with the same; or

(2) if, being employed about the person of his master or in a confidential position, the master discovers that he has been guilty of misconduct before or after the commencement of his service of such a nature that, if the master had known or contemplated it, he would not have so employed him.

Part 7 — General Liability Arising From Employment Relationship

39-2-701. Indemnification of employee. (1) An employer must indemnify his employee, except as prescribed in subsection (2) of this section, for all that he necessarily expends or loses in direct consequence of the discharge of his duties as such or of his obedience to the directions of the employer, even though unlawful, unless the employee at the time of obeying such directions believed them to be unlawful.

(2) An employer is not bound to indemnify his employee for losses suffered by the latter in consequence of the ordinary risks of the business in which he is employed.

(3) An employer must in all cases indemnify his employee for losses caused by the former's want of ordinary care.

39-2-702. Liability of employee for negligence. An employee who is guilty of a culpable degree of negligence is liable to his employer for the damage thereby caused to the latter, and the employer is liable to him for the value of such services only as are properly rendered if the service is not gratuitous.

39-2-703. Liability of railway corporation for negligence of fellow servants.

(1) Every person or corporation operating a railway or railroad in this state is liable for all damages sustained by any employee of such person or corporation in consequence of the neglect of any other employee thereof or by the mismanagement of any other employee thereof and in consequence of the willful wrongs, whether

LABOR

of commission or omission, of any other employee thereof when such neglect, mismanagement, or wrongs are in any manner connected with the use and operation of any railway or railroad on or about which he is employed. No contract which restricts such liability is legal or binding.

(2) In case of the death of any such employee in consequence of any injury or damage so sustained, the right of action provided by subsection (1) shall survive and may be prosecuted and maintained by his heirs or personal representatives.

(3) Every railway corporation doing business in this state, including electric railway corporations, is liable for damages sustained by an employee thereof within this state, subject to the provisions of 27-1-702, when such damages are caused by the negligence of any train dispatcher, telegraph operator, superintendent, master mechanic, yardmaster, conductor, engineer, motorman, or any other employee who has superintendence of any stationary or hand signal.

(4) No contract of insurance, relief, benefit, or indemnity in case of injury or death or any other contract entered into, either before or after the injury, between the person injured and any of the employers named in subsection (3) is a bar or defense to any cause of action brought under the provisions of this section, except as otherwise provided in the Workers' Compensation Act.

39-2-704. Liability of mining company for negligence of fellow servants.

(1) Every company, corporation, or individual operating any mine, smelter, or mill for the refining of ores is liable for damages sustained by any employee thereof within this state, subject to the provisions of 27-1-702, when such damage is caused by the negligence of any superintendent, foreman, shift boss, hoisting or other engineer, or craneman.

(2) No contract of insurance, relief, benefit, or indemnity in case of injury or death or any other contract entered into before the injury between the person injured and any of the employers named in this section is a bar or defense to any cause of action brought under the provisions of this section, except as otherwise provided in the Workers' Compensation Act.

(3) In case of the death of any such employee in consequence of any injury or damages so sustained, the right of action survives and may be prosecuted and maintained by his heirs or personal representatives.

39-2-705. Contract discharging employer liability for negligence void. Any contract or agreement entered into by any person, company, or corporation with its servants or employees whereby such person, company, or corporation shall be released or discharged from liability or responsibility on account of personal injuries received by such servants or employees while in the service of such person, company, or corporation, by reason of the negligence of such person, company, or corporation, or the agents or employees thereof, shall be absolutely null and void.

THE EMPLOYMENT RELATIONSHIP

Part 8 — Blacklisting and Protection of Discharged Employees**39-2-801. Employee to be furnished on demand with reason for discharge.**

(1) It is the duty of any person after having discharged any employee from service, upon demand by the discharged employee, to furnish the discharged employee in writing a statement of reasons for the discharge. Except as provided in subsection (3), if the person refuses to do so within a reasonable time after the demand, it is unlawful for the person to furnish any statement of the reasons for the discharge to any person or in any way to blacklist or to prevent the discharged person from procuring employment elsewhere, subject to the penalties and damages prescribed in this part.

(2) A written demand under this part must advise the person who discharged the employee of the possibility that the statements may be used in litigation.

(3) A response to the demand may be modified at any time and may not limit a person's ability to present a full defense in any action brought by the discharged employee. Failure to provide a response as required under subsection (1) may not limit a person's ability to present a full defense in any action brought by the discharged employee.

39-2-802. Protection of discharged employees. If any person, after having discharged an employee from his service, prevents or attempts to prevent by word or writing of any kind such discharged employee from obtaining employment with any other person, such person is punishable as provided in 39-2-804 and is liable in punitive damages to such discharged person, to be recovered by civil action. No person is prohibited from informing by word or writing any person to whom such discharged person or employee has applied for employment a truthful statement of the reason for such discharge.

39-2-803. Blacklisting prohibited. If any company or corporation in this state authorizes or allows any of its agents to blacklist or any person does blacklist any discharged employee or attempts by word or writing or any other means whatever to prevent any discharged employee or any employee who may have voluntarily left the company's service from obtaining employment with another person, except as provided for in 39-2-802, such company or corporation or person is liable in punitive damages to such employee so prevented from obtaining employment, to be recovered by him in a civil action, and is also punishable as provided in 39-2-804.

39-2-804. Violation of part a misdemeanor. Every person who violates any of the provisions of this part relating to the protection of discharged employees and the prevention of blacklisting is guilty of a misdemeanor.

Part 9 — Wrongful Discharge From Employment

39-2-901. Short title. This part may be cited as the “Wrongful Discharge From Employment Act”.

39-2-902. Purpose. This part sets forth certain rights and remedies with respect to wrongful discharge. Except as provided in 39-2-912, this part provides the exclusive remedy for a wrongful discharge from employment.

39-2-903. Definitions. In this part, the following definitions apply:

(1) “Constructive discharge” means the voluntary termination of employment by an employee because of a situation created by an act or omission of the employer which an objective, reasonable person would find so intolerable that voluntary termination is the only reasonable alternative. Constructive discharge does not mean voluntary termination because of an employer’s refusal to promote the employee or improve wages, responsibilities, or other terms and conditions of employment.

(2) “Discharge” includes a constructive discharge as defined in subsection (1) and any other termination of employment, including resignation, elimination of the job, layoff for lack of work, failure to recall or rehire, and any other cutback in the number of employees for a legitimate business reason.

(3) “Employee” means a person who works for another for hire. The term does not include a person who is an independent contractor.

(4) “Fringe benefits” means the value of any employer-paid vacation leave, sick leave, medical insurance plan, disability insurance plan, life insurance plan, and pension benefit plan in force on the date of the termination.

(5) “Good cause” means reasonable job-related grounds for dismissal based on a failure to satisfactorily perform job duties, disruption of the employer’s operation, or other legitimate business reason. The legal use of a lawful product by an individual off the employer’s premises during nonworking hours is not a legitimate business reason, unless the employer acts within the provisions of 39-2-313(3) or (4).

(6) “Lost wages” means the gross amount of wages that would have been reported to the internal revenue service as gross income on Form W-2 and includes additional compensation deferred at the option of the employee.

(7) “Public policy” means a policy in effect at the time of the discharge concerning the public health, safety, or welfare established by constitutional provision, statute, or administrative rule.

39-2-904. Elements of wrongful discharge — presumptive probationary period. (1) A discharge is wrongful only if:

(a) it was in retaliation for the employee’s refusal to violate public policy or for reporting a violation of public policy;

THE EMPLOYMENT RELATIONSHIP

(b) the discharge was not for good cause and the employee had completed the employer's probationary period of employment; or

(c) the employer violated the express provisions of its own written personnel policy.

(2)(a) During a probationary period of employment, the employment may be terminated at the will of either the employer or the employee on notice to the other for any reason or for no reason.

(b) If an employer does not establish a specific probationary period or provide that there is no probationary period prior to or at the time of hire, there is a probationary period of 6 months from the date of hire.

39-2-905. Remedies. (1) If an employer has committed a wrongful discharge, the employee may be awarded lost wages and fringe benefits for a period not to exceed 4 years from the date of discharge, together with interest on the lost wages and fringe benefits. Interim earnings, including amounts the employee could have earned with reasonable diligence, must be deducted from the amount awarded for lost wages. Before interim earnings are deducted from lost wages, there must be deducted from the interim earnings any reasonable amounts expended by the employee in searching for, obtaining, or relocating to new employment.

(2) The employee may recover punitive damages otherwise allowed by law if it is established by clear and convincing evidence that the employer engaged in actual fraud or actual malice in the discharge of the employee in violation of 39-2-904(1)(a).

(3) There is no right under any legal theory to damages for wrongful discharge under this part for pain and suffering, emotional distress, compensatory damages, punitive damages, or any other form of damages, except as provided for in subsections (1) and (2).

39-2-906 through 39-2-910 reserved.

39-2-911. Limitation of actions. (1) An action under this part must be filed within 1 year after the date of discharge.

(2) If an employer maintains written internal procedures, other than those specified in 39-2-912, under which an employee may appeal a discharge within the organizational structure of the employer, the employee shall first exhaust those procedures prior to filing an action under this part. The employee's failure to initiate or exhaust available internal procedures is a defense to an action brought under this part. If the employer's internal procedures are not completed within 90 days from the date the employee initiates the internal procedures, the employee may file an action under this part and for purposes of this subsection the employer's internal procedures are considered exhausted. The limitation period in subsection (1) is tolled until the procedures are exhausted. In no case may the provisions of the employer's internal procedures extend the limitation period in subsection (1) more than 120 days.

LABOR

(3) If the employer maintains written internal procedures under which an employee may appeal a discharge within the organizational structure of the employer, the employer shall within 7 days of the date of the discharge notify the discharged employee of the existence of such procedures and shall supply the discharged employee with a copy of them. If the employer fails to comply with this subsection, the discharged employee need not comply with subsection (2).

39-2-912. Exemptions. This part does not apply to a discharge:

(1) that is subject to any other state or federal statute that provides a procedure or remedy for contesting the dispute. The statutes include those that prohibit discharge for filing complaints, charges, or claims with administrative bodies or that prohibit unlawful discrimination based on race, national origin, sex, age, disability, creed, religion, political belief, color, marital status, and other similar grounds.

(2) of an employee covered by a written collective bargaining agreement or a written contract of employment for a specific term.

39-2-913. Preemption of common-law remedies. Except as provided in this part, no claim for discharge may arise from tort or express or implied contract.

39-2-914. Arbitration. (1) A party may make a written offer to arbitrate a dispute that otherwise could be adjudicated under this part.

(2) An offer to arbitrate must be in writing and contain the following provisions:

(a) A neutral arbitrator must be selected by mutual agreement or, in the absence of agreement, as provided in 27-5-211.

(b) The arbitration must be governed by the Uniform Arbitration Act, Title 27, chapter 5. If there is a conflict between the Uniform Arbitration Act and this part, this part applies.

(c) The arbitrator is bound by this part.

(3) If a complaint is filed under this part, the offer to arbitrate must be made within 60 days after service of the complaint and must be accepted in writing within 30 days after the date the offer is made.

(4) A discharged employee who makes a valid offer to arbitrate that is accepted by the employer and who prevails in such arbitration is entitled to have the arbitrator's fee and all costs of arbitration paid by the employer.

(5) If a valid offer to arbitrate is made and accepted, arbitration is the exclusive remedy for the wrongful discharge dispute and there is no right to bring or continue a lawsuit under this part. The arbitrator's award is final and binding, subject to review of the arbitrator's decision under the provisions of the Uniform Arbitration Act.

THE EMPLOYMENT RELATIONSHIP

39-2-915. Effect of rejection of offer to arbitrate. A party who makes a valid offer to arbitrate that is not accepted by the other party and who prevails in an action under this part is entitled as an element of costs to reasonable attorney fees incurred subsequent to the date of the offer.

39-2-1003. Requirements for closure or retrenchment. Upon making a decision to close or retrench, an employer shall:

(1) immediately notify the employees, the affected employee organizations, the affected local governments, and a newspaper of general circulation in the county where the governmental facility subject to closure or retrenchment is located; and

(2) within 90 days, provide the employees, the affected employee organizations, and the affected local governments with a written impact statement that includes information concerning:

(a) the number of employees affected;

(b) the amount of the affected employees’ payroll;

(c) the potential tax losses to local governments and school districts;

(d) the effect on other businesses; and

(e) the reasons for the closure or retrenchment.

39-2-1004. Adoption of rules. The department shall adopt rules to provide procedures for an employer to meet the obligations under 39-2-1003.

(2) Where no deduction is made in such payment of wages or salaries, the employer shall give to the employee a statement that the payment does not include any such deductions.

39-3-102. Compensation of employee dismissed for cause. An employee dismissed by his employer for good cause is not entitled to any compensation for services rendered since the last day upon which a payment became due to him under the contract.

39-3-103. Compensation of employee leaving for cause. 39-3-104. Equal pay for women for equivalent service. (1) It is unlawful for the state or any county, municipal entity, school district, public or private corporation, person, or firm to employ women in any occupation within the state for compensation less than that paid to men for equivalent service or for the same amount or class of work or labor in the same industry, school, establishment, office, or place of employment of any kind or description.

(2) If the state or any county, municipal entity, school district, public or private corporation, person, or firm violates any of the provisions of subsection (1), it is guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$25 or more than \$500 for each offense.

(b) For the purposes of this subsection (6), "service charge" means an arbitrary fixed charge added to the customer's bill by an employer in lieu of a tip. It is collected by the employer and must be distributed directly to the nonmanagement employee preparing or serving the food or beverage or to any other employee involved in related services, pursuant to a tip pool agreement.

39-3-202. Rulemaking power of commissioner. The commissioner is authorized to issue, amend, and enforce rules for the purpose of carrying out the provisions of this part.

39-3-203. Employer to notify employee on written demand as to rate of wages and date of paydays. (1) Each employer or an authorized representative of the employer shall, on written demand, prior to the commencing of work, notify each employee as to the rate of wages to be paid, whether by the hour, day, week, month, or year, and date of paydays. Such notification must be in writing to each employee or by posting of notice in a conspicuous place.

(2) The provisions of this section do not apply to an employer who has entered into a signed collective bargaining agreement, when such agreement contains conditions of employment, wages to be received, and hours to be worked, or to employers engaged in agriculture or stockraising; provided, however, such employers shall comply with the provisions of 39-3-205.

39-3-204. Payment of wages generally. (1) Except as provided in subsection (4), every employer of labor in the state of Montana shall pay to each employee the wages earned by the employee in lawful money of the United States or checks on banks convertible into cash on demand at the full face value of the checks, and

LABOR

no person for whom labor has been performed may withhold from any employee any wages earned or unpaid for a longer period than 10 business days after the wages are due and payable. However, reasonable deductions may be made for board, room, and other incidentals supplied by the employer, whenever the deductions are a part of the conditions of employment, or other deductions provided for by law.

(2) If at the time of payment of wages any employee is absent from the regular place of labor, the employee is entitled to payment at any time thereafter.

(3) Provisions of this section do not apply to any professional, supervisory, or technical employee who by custom receives wages earned at least once monthly.

(4) Wages may be paid to the employee by electronic funds transfer or similar means of direct deposit if the employee has consented in writing or electronically, if a record is retained, to be paid in this manner. However, an employee may not be required to use electronic funds transfer or similar means of direct deposit as a method for payment of wages.

39-3-205. Payment of wages when employee separated from employment prior to payday — exceptions. (1) When an employee separates from the employ of any employer, all the unpaid wages of the employee are due and payable on the next regular payday for the pay period during which the employee was separated from employment or 15 days from the date of separation from employment, whichever occurs first, either through the regular pay channels or by mail if requested by the employee.

(2) Except as provided in subsection (3), when an employee is separated for cause or laid off from employment by the employer, all the unpaid wages of the employee are due and payable immediately upon separation unless the employer has a written personnel policy governing the employment that extends the time for payment of final wages to the employee's next regular payday for the pay period or to within 15 days from the separation, whichever occurs first.

(3) When an employee is discharged by reason of an allegation of theft of property or funds connected to the employee's work, the employer may withhold from the employee's final paycheck an amount sufficient to cover the value of the theft if:

(a) the employee agrees in writing to the withholding; or

(b) the employer files a report of the theft with the local law enforcement agency within 7 days of the separation from employment, subject to the following conditions:

(i) if no charges are filed in a court of competent jurisdiction against the employee for the alleged theft within 15 days of the filing of the report with a local law enforcement agency, wages are due and payable upon the expiration of the 15-day period.

(ii) if charges are filed against the employee for theft, the court may order the withheld wages to be offset by the value of the theft. If the employee is found not guilty or if the employer withholds an amount in excess of the value of the theft, the court may order the employer to pay the employee the withheld amount plus interest.

WAGES AND WAGE PROTECTION

39-3-206. Penalty for failure to pay wages at times specified in law. (1) An employer who fails to pay an employee as provided in this part or who violates any other provision of this part is guilty of a misdemeanor. A penalty must also be assessed against and paid by the employer to the employee in an amount not to exceed 110% of the wages due and unpaid.

(2) Nothing in this section may be construed to relieve an employer from the requirement to pay an employee the full amount of wages due if the employer is found in violation of this part.

39-3-207. Period within which employee may recover wages and penalties.

(1) An employee may recover all wages and penalties provided for the violation of 39-3-206 by filing a complaint within 180 days of default or delay in the payment of wages.

(2) Except as provided in subsection (3), an employee may recover wages and penalties for a period of 2 years prior to the date on which the claim is filed if the employee is still employed by the employer or for a period of 2 years prior to the date of the employee's last date of employment.

(3) If an employer has engaged in repeated violations, an employee may recover wages and penalties for a period of 3 years from the date on which a claim is filed if the employee is still employed by the employer or for a period of 3 years prior to the date of the employee's last date of employment.

39-3-208. Contracts in violation of part void. Any contract or agreement made between an employer and an employee the provisions of which violate, evade, or circumvent this part is unlawful and void, but the employee may sue to recover the wages earned, together with the penalty specified in 39-3-206 or separately to recover the penalty if the wages have been paid.

39-3-209. Commissioner of labor to investigate violations and institute actions for unpaid wages. It shall be the duty of the commissioner of labor to inquire diligently for any violations of this part and to institute actions for the collection of unpaid wages and for the penalties provided for herein in such cases as he may deem proper and to enforce generally the provisions of this part.

39-3-210. Investigative powers of commissioner. (1) The commissioner or his authorized representatives are empowered to enter and inspect such places, question such employees, and investigate such facts, conditions, or matters which they may consider appropriate to determine whether any person has violated any provision of this part or any rule issued hereunder or which may aid in the enforcement of the provisions of this part.

LABOR

(2) The commissioner or his authorized representatives may administer oaths and examine witnesses under oath; issue subpoenas; compel the attendance of witnesses and the production of papers, books, accounts, records, payrolls, documents, and testimony; and take depositions and affidavits in any proceeding before the commissioner.

39-3-211. Commissioner to take wage assignments. Whenever the commissioner determines that one or more employees have claims for unpaid wages, he shall, upon the written request of the employee, take an assignment of the claim in trust for such employee and may maintain any proceeding appropriate to enforce the claim, including liquidated damages pursuant to this part. With the written consent of the assignor, the commissioner may settle or adjust any claim assigned pursuant to this section.

39-3-212. Court enforcement of administrative decision. (1) A department default order or a decision of the hearings officer, if judicial review is not sought, may be enforced by application by the commissioner to a district court for an order or judgment enforcing the decision. The commissioner shall apply to the district court where the employer has its principal place of business or in the first judicial district of the state. A proceeding under this section is not a review of the validity of the administrative decision.

(2) If judicial review is sought, the district court may issue an order or a judgment enforcing the decision of the department or the hearings officer in a wage claim proceeding. In a case involving failure to pay the standard prevailing rate of wages provided for in Title 18, chapter 2, part 4, the district court may issue an order or a judgment enforcing the decision of the hearings officer.

39-3-213. Disposition of wages. (1) The commissioner of labor shall deposit wages collected under parts 2 and 4 of this chapter into the private purpose trust fund and shall attempt to make payment of wages to the entitled person. Wages deposited into the private purpose trust fund do not bear interest. The payment of wages collected may be made by means of state warrants.

(2) Warrants issued pursuant to subsection (1) that remain unclaimed for more than 6 months from the date of issuance must be returned to the state treasurer for cancellation in accordance with 17-8-303.

39-3-214. Court costs and attorneys' fees. (1) Whenever it is necessary for the employee to enter or maintain a suit at law for the recovery or collection of wages due as provided for by this part, a resulting judgment must include a reasonable attorney's fee in favor of the successful party, to be taxed as part of the costs in the case.

(2) Any judgment for the plaintiff in a proceeding pursuant to this part must include all costs reasonably incurred in connection with the proceeding, including attorneys' fees.

WAGES AND WAGE PROTECTION

(3) If the proceeding is maintained by the commissioner, no court costs or fees are required of him nor is he required to furnish any bond or other security that might otherwise be required in connection with any phase of the proceeding.

39-3-215. Authority of county attorney. Nothing herein contained shall be construed to limit the authority of the county attorney of any county of the state to prosecute actions, both civil and criminal, for such violations of this part as may come to his knowledge or to enforce the provisions hereof independently and without specific direction of the commissioner of labor.

39-3-216. Mediation — hearing. (1) If the department determines that a wage claim is valid and the employer does not appeal the determination, the department may enter a default order against the employer for the amount of wages due and for any penalty assessed pursuant to 39-3-206. The department may enforce the default order pursuant to 39-3-212.

(2) If a party disputes the determination of the department prior to a contested case, the department shall conduct mediation of the dispute in accordance with guidelines to be established by department rule.

(3) When the department determines that a wage claim is valid, the department shall mail the determination to the parties at the last-known address of each party. If a party appeals the department's determination within 15 days after the determination is mailed by the department, a hearing must be conducted according to contested case procedures under Title 2, chapter 4, part 6, except that service need not be made as prescribed for civil actions in the district court and the hearings officer is not bound by statutory or common-law rules of evidence. The hearing may be conducted by telephone or by videoconference. The department shall by rule provide relief for a person who does not receive the determination by mail.

(4) The decision of the hearings officer is final unless an aggrieved party requests a rehearing or initiates judicial review, pursuant to Title 2, chapter 4, part 7, by filing a petition in district court within 30 days of the date of mailing of the hearings officer's decision.

Part 3 — Reciprocal Agreement for Collection of Wages Act

39-3-301. Short title. This part may be cited as "The Reciprocal Agreement for Collection of Wages Act of 1977".

39-3-302. Purpose. The purpose of this part is to provide for a method of reciprocal enforcement in other states of Montana's wage payment laws contained in part 2 of this chapter and to provide for reciprocal enforcement in Montana of similar wage payment laws of other states.

LABOR

39-3-303. Reciprocal agreements for collection of wages. The department of labor and industry may enter into reciprocal agreements with the labor department or corresponding agency of another state or with the person, board, officer, or commission authorized to act for and on behalf of the department or agency for the collection in the other state of claims or judgments for wages and other demands based upon claims previously assigned to the department of labor and industry.

39-3-304. Actions in other states for collections of claims — assignments for collection. The department of labor and industry may, to the extent provided by a reciprocal agreement entered into pursuant to 39-3-303 or by the laws of another state, maintain actions in the courts of another state for the collection of claims for wages, judgments, and other demands and may assign the claims, judgments, and demands to the labor department or agency of another state for collection to the extent permitted or provided for by the laws of the other state or by reciprocal agreement.

39-3-305. Claims assigned by other states — actions — collection. The department of labor and industry may, upon the written request of the labor department or other corresponding agency of another state or a person, board, officer, or commission of the other state authorized to act for and on behalf of the labor department or corresponding agency, maintain actions in the courts of this state upon assigned claims for wages, judgments, and demands arising in the other state in the same manner and to the same extent that these actions by the department of labor and industry are authorized when arising in this state. However, these actions may be commenced and maintained only in those cases where the other state, by appropriate legislation or by reciprocal agreement, extends a like comity to similar cases arising in this state.

39-3-306. Limitations. Limitations regarding the amount of wages covered by a reciprocal agreement or the time during which the wages are accrued shall be the limitations imposed by the laws of the state originating the action.

Part 4 — Minimum Wage and Overtime Compensation

- (1) establish minimum wage and overtime compensation standards for workers at levels consistent with their health, efficiency, and general well-being;

The commissioner may enforce this part without the necessity of a wage assignment.

party interested therein or, if a corporation, the names and addresses of its officers and directors, the principal place of business of such corporation, and the names and addresses of the person or persons resident of Montana designated as the person or persons upon whom service of process may be made.

(2) Every person, firm, partnership, or corporation failing to file a statement with the commissioner of labor and industry and in the offices of the county clerk and recorders, as provided in subsection (1), shall be deemed guilty of a misdemeanor and punishable as provided by law.

39-3-503. Report of violations to county attorney by commissioner. Whenever it shall appear from reliable information satisfactory to the commissioner of labor and industry that any person, firm, partnership, or corporation engaged in the business mentioned in 39-3-501 and not exempt from the effect of this part shall have failed to pay any wages or salaries due his employees as required by part 2 of this chapter, he shall have the right to deliver such information to the county attorney of the county wherein the operations of the employer are being carried on and to request such county attorney to file a complaint in the district court of said county in accordance with the provisions of this part and part 2 of this chapter.

39-3-506. County attorney to file complaint in district court on belief of violation. If a county attorney believes after receiving information that the provisions of this part or part 2 of this chapter have been violated and that such violation was willful or that the financial condition of the employer is such as to endanger employees in receiving prompt payment or collection of wages, he shall file a complaint in district court. All proceedings upon such complaint must be promptly prosecuted.

39-3-507. Prayer for relief. Should such complaint be filed by the county attorney upon his own motion or at said request of said commissioner of labor and industry, the same shall pray that relief be had against the employer for the greater security for the payment of salaries and wages of the employees.

Service upon any partner or member of any firm shall be considered service upon each partner and each member of the firm. In the event that the employer is a nonresident or a corporation without officers or directors within the county who cannot conveniently and promptly be found for service, then service upon the manager, superintendent, or foreman in charge of the work or, there being none such, then posting a copy of the order or other process provided to be served herein in a conspicuous place at or near the entrance to the principal workings shall be deemed sufficient service.

39-3-509. Hearing on complaint — court order to pay wages due or appear and show cause why bond should not be required. Upon the conclusion of the hearing upon such complaint, the judge of the district court may make findings and shall issue an order to the employer in default to pay within 5 days all wages and salaries found by the court to be due and unpaid or an order to appear before the court within 10 days and show cause why a judgment and order should not issue requiring said employer to give bond for the payment of all wages and salaries then due and thereafter to accrue to his employees within said county. Service of such order shall be made at least 5 days before the date set for hearing or the date to which such hearing may be continued by the court upon good cause shown.

39-3-510. Show cause hearing — restraining order until bond furnished. Upon the hearing of such order, if the court shall determine that the default of said employer in the payment of wages and salaries was willful or that the financial condition of the employer is such as to endanger or delay or impede employees in collecting their wages and salaries or that the employer is a nonresident of the state without visible property in said county subject to execution or who has within 2 years defaulted in payroll payments, the court may adjudge and decree that the employee or employees are endangered in the collection of their just demands and the court may issue a restraining order against the employer forbidding further prosecution of operations by said employer until after the employer has furnished a good and sufficient bond, in form to be approved by the court with good and sufficient surety or sureties who can and do legally justify, and deposit said bond with the clerk of court of said county obligating the employer to pay all wages and salaries as required by part 2 of this chapter.

WAGES AND WAGE PROTECTION

39-3-511. Bond requirements. (1) Said bond may be that of a surety company licensed and authorized to do business within the state or of two owners of real estate situate in said county and who can and do justify as sureties in the same manner as sureties justify on appeal bonds or bail bonds.

(2) Said bond shall be in the sum of not less than \$500 for each unit of five men or less employed by such person, firm, partnership, or corporation.

(3) Said bond shall continue in force for 1 year.

(4) Said bond shall run in the name of the state of Montana and shall be examined and approved by the judge of the district court, said approval to be endorsed thereon.

39-3-512. Enjoining further operations in event bond not filed. (1) In the event that the bond ordered by the district court is not executed and filed with the county treasurer within the time fixed by the court, the court may, if it deems the persons working for such employer to be insecure in the prompt payment or collection of their wages or salaries, enjoin any and all further operations of said employer within the state for a period of 1 year at any mine or reduction works or oil well or until the order, judgment, or decree of the court shall have been fully complied with.

(2) The county attorney of the county wherein such proceedings are had or the attorney general of the state shall, at his or their discretion, file such action and prosecute the same.

39-3-513. Costs of proceeding. The said district court shall include in any order, judgment, or decree against the employer all costs of the proceeding, which shall be taxed against the employer and paid into the clerk of the court to be by him deposited with the county treasurer to the credit of the general fund of the county.

39-3-514. Punishment of employer for contempt. In event the employer fails for 30 days or more to pay the costs of the proceeding and/or fails to furnish the bond required by the court, the court may proceed against and punish said employer for contempt of court.

39-3-515. Publication of notice of court order. In the discretion of the court, it may order the clerk of the court to publish a brief notice or memorandum in a newspaper published in the county of the entry of the order against the employer requiring said employer to furnish said bond. Said publication shall be for 4 consecutive weeks. The cost of such publication shall be assessed against the employer as one of the costs of the proceeding.

39-3-516. Review of court order by supreme court. In event any employer against whom an order to furnish the bond described in this part feels aggrieved by any order or injunction of the district court, he shall be entitled, upon payment for the transcript of record, to have his objections and exceptions reviewed and determined by the supreme court as upon a writ of certiorari.

LABOR

39-3-517. Suit on bond. Any person whose wages or salary has remained unpaid for 15 days or more after due shall have a right to sue upon said bond for the recovery of his wages or salary.

39-3-518. Attorney's fee for suit on bond. In event any person whose wages or salary has remained unpaid for 15 days or more after due shall bring suit as in 39-3-517 provided, the court shall assess as costs against the unsuccessful party a reasonable attorney's fee.

39-3-519. Clarification as to construction and applicability of part. (1) Nothing contained in this part shall be considered as requiring any person, firm, partnership, or corporation to file a bond or bonds if he or it pays for all labor in full each day or where such labor has been performed upon a written building or construction contract to furnish material or other consideration as well as labor.

(2) Nothing herein shall prohibit the making or entering into of any wage or working agreement such as grubstake agreements and/or similar agreements, provided such employer or contractor keeps in force proper workers' compensation insurance.

39-3-520. Remedy cumulative. The remedy herein provided for the greater security for the payment of wages and salaries and the collection thereof shall be in addition to any remedy now provided by law for the payment and collection of wages and salaries.
